

## Client's Rights

**Choice:** Individuals have the right to make choices according to their needs and wants.

Employment Specialist will respect the needs and wants of all individuals receiving services.

**Quality Care:** Individuals in our program will be treated with respect and dignity.

*"It matters not what a person is born, but who they chose to be."*

*~J.K. Rowling*

## Supported Employment Services

Supported Employment services encompass the following:

- Supported Employment
- Customized Employment
- Supported Education
- Self Employment

Supported Employment services are wrapped around the strengths, abilities, and needs of each individual, providing an environment for personal enrichment and growth.

## Individuals served through Supported Employment will experience:

**Innovation** Employment Specialists will work together with individuals to help meet their employment goals.

**Independence** Employment Specialists work with the individual to increase their independence and empowerment.

**Individualization** Employment services are individualized and tailored to meet the needs of the individual.

**Zero Exclusion** Any individual who is seeking employment is eligible for supported employment services.

## Philosophy of Supported Employment

The philosophy of Supported Employment Services is consistent with the overall philosophy of care of the Individual Placement and Supports model developed by the Dartmouth Psychiatric Research Center and is a long standing evidence based good practice.

## Core Values

- Individual empowerment
- Customized employment assistance
- Competitive Employment
- Self Employment
