

Clients Rights

Choice: The right to make choices according to a person's personal preference is an important part of the Day service without walls person-centered approach.

Quality Care: Individuals in our program will be treated with respect and dignity.

Without Walls Day Services

The WOW program is a community - driven day program, wrapped around the capacities, abilities, and gifts of each of our participants.

This innovative program provides

an environment for personal enrichment and growth through a wide range of interactive activities.

Individuals served in the WOW program will experience:

Inclusion - Involvement with relatives and friends and a belonging to their neighborhood and community.

Independence - Providing individuals with opportunities to develop skills that lessen his/her dependence.

Individualization - Increasing esteem, by giving him/her personalized choices and by providing services in terms of his/her unique and valued abilities.

Productivity - Provides the participant with opportunities to make an increasingly meaningful contribution to his/her environment.

PHILOSOPHY OF CARE

To maximize satisfaction and outcomes through respectful, evidence-based treatment and interventions, with responsible use of resources

CORE VALUES

- Individual empowerment
- Passion for innovation and integrity
- Customer-driven care and supports
- Focus on community
